INTRODUCTION

The Tallapoosa County Board of Education believes that instruction should occur in an environment that is conducive to learning. Order and discipline are basic elements of such an environment and contribute to an atmosphere in which students and school personnel work cooperatively toward mutually recognized and accepted goals.

“The curriculum of the home is twice as predictive of academic learning as family socio-economic status. This curriculum involves informed parent-child conversations about everyday events, encouragement and discussion of leisure reading, monitoring and joint analysis of television viewing and peer activities, deferral of immediate gratifications to accomplish long-term goals, expressions of affections, interest in the child’s academic and other progress as a person, and parental influence is no less important in high school years.”

As students progress in our school system, they will be expected to assume greater responsibility for their actions as they increase in age and maturity. The procedures described in this Student Handbook apply to all students in grades K-12. However, differences in age, sexual orientation, gender identity and maturity of students may require different types of disciplinary actions for conduct violations at the various grade levels.

It is the school board’s desire to assist students, parents, and school personnel in developing and maintaining an environment conducive to learning. Therefore, the board presents the enclosed information in an effort to increase communication between home and school and to provide a framework for educational progress in our schools for all students.

STUDENT HANDBOOK

The Tallapoosa County Board of Education student handbook is based on the philosophy that discipline is a tool that is used to teach students to become responsible for their own actions and behavior. In order to educate students to become productive citizens as adults, we must create a safe, non-threatening, orderly school environment that enables student learning. We expect students to “behave” in such a way as to facilitate a positive learning environment for themselves and others. We believe that every child should have the right to receive instructional learning in a safe and controlled setting. Effective instructional time requires orderly discipline, standards and rules. Our discipline policy is designed to be fair, firm, and consistent in order to instill morals and values in our students that will enable them to become productive citizens. We believe that a discipline policy should be a joint arrangement between the parent and school. Parental input is vital to the success of students in Tallapoosa County schools. Therefore, parents and/or guardians will be the first line of defense in establishing discipline for well-rounded students. The number one priority of the Tallapoosa County Board of Education is to provide the best public education possible.

The Tallapoosa County Student Handbook is in effect during the following times and in the following places:

- At school or on school property at any time.
- Off the school grounds at any school related or school-sponsored activity, function or event and while traveling to and from such event.
- On vehicles provided for transportation by the Tallapoosa County School System.

STUDENT BEHAVIOR CODE

Students enrolled in the Tallapoosa County School System should serve as role models to peers. They are expected to: obey all school and district rules and policies, take responsibility for one’s behavior, strive toward self-discipline, cooperate with school staff in maintaining an orderly learning environment, follow instructions from school staff; behave in a manner that allows everyone to learn, respect other students, respect school faculty and staff at all times. Students are expected to display character, courtesy, kindness, loyalty, patriotism, punctuality, school pride, self-control, and tolerance daily.

PARENTAL RESPONSIBILITIES:

Parental involvement is paramount to the success of students in school. Therefore, it is important that parents have the opportunity to know what is happening with their children on a regular basis. Parents can stay informed about their child’s progress through regular progress reports and report cards, weekly folders at the elementary level and daily agendas at the high school level. Parents are encouraged to review this policy booklet with their children regularly. It is the responsibility of the school to make parents aware of situations affecting their child pertaining to discipline and provide support for correcting the problematic behavior. Additional notices will be sent home with students when they are referred to the principal or assistant principal for violation of the handbook guidelines. The Code of Alabama, 1975 revised, 16-28-12, places responsibility on the parents/guardian for the attendance and conduct of their students.

At any time, a parent may request a conference with the principal, assistant principal or teacher, to discuss issues related to discipline and the handbook. This Tallapoosa County Handbook outlines expectations for each of these parties. When parents, teachers, administrators and students work together our students
can become fully prepared for life beyond school. In order to facilitate proper school to parent communication, it is necessary for the school to be notified if and when any telephone numbers change, or if there is an address change, or anything that might have an effect on communication between the school and parent. **Conferences should be scheduled through the school principal or assistant principal.**

**TEACHER RESPONSIBILITIES:**
Teachers in the Tallapoosa County School System serve as positive role models for parents, students, and peers. They comply with state, county, and school policies and procedures. Teachers are expected to be present, on time, monitor student behavior and take corrective action as needed. Teachers should maintain an orderly classroom environment conducive to learning, including clearly stated rules consistent with this handbook. Teachers offer encouragement and correction as needed to assist students with setting high standards and making positive choices.

**Teachers’ dress should meet or exceed the Student Dress requirements.** All staff members are role models for students and, therefore, teachers are expected to dress in a professional manner at all times. No clothing shall be worn by staff members that constitutes a danger to the health and/or safety to himself/herself or others, and no clothing may be worn that distracts and/or disrupts the instructional program(e.g., mini-skirts, see-through clothing, low cut blouses, leggings as outer garments, spaghetti straps, shorts (appropriate for physical education teachers only), clothes too tight, too loose, or transparent). Keep in mind that you represent the Tallapoosa County School district, and consider your job responsibilities and duties for the workday. A **good rule of thumb to follow** is that if you have any doubt whether the outfit you are wearing is appropriate; **do not wear it to school.**

**ADMINISTRATOR RESPONSIBILITIES:**
Administrators in the Tallapoosa County School System serve as positive role models for teachers, parents, students and peers. Administrators provide fair, impartial and consistently administered treatment for all students. They encourage effective parent-school communication, including participation in parent-teacher conferences. Administrators provide assistance to students in learning to set high standards and make positive choices. They provide appropriate support to teachers in dealing with student discipline problems. In addition, they provide appropriate support to parents and students to constructively resolve school-related issues. Finally, administrators serve as ambassadors for students, parents, and teachers to insure a smooth operation in a school setting.

**CLASSIFICATION OF DISCIPLINE VIOLATIONS:**
Disciplinary offenses are grouped into three classifications: minor, intermediate, and major violations. All academic grades should reflect the teacher’s most objective assessment of the student’s academic achievement and should not be influenced by student behavior.
FORMAL DISCIPLINARY ACTIONS AND PROCEDURES

Before or After-School Detention
The principal or his/her designee has the authority to assign students to a designated area at the end of the regular school day for a reasonable and specified period of time. The parent/guardian is responsible for providing transportation in these cases. A reasonable attempt will be made to notify the parent(s) or guardian on the day of the misbehavior. If the parent/guardian is notified, the student may be assigned on that day; if not, the student will be assigned the following school day.

In-School Intervention Program
In-School Intervention is a structured disciplinary program in which a student is isolated or removed from regular classroom activities but is not dismissed from the school setting. The program provides the student with individualized attention focused on improving student behavior and academics. The principal or his/her designated person(s) has the authority to assign students to the In School Intervention Program for a reasonable and specified period of time.

Work Assignment
The principal or his/her designated person(s) has the authority to assign supervised activities related to the upkeep and maintenance of school facilities as disciplinary action for a reasonable and specified period of time. Work assignments are not intended to interfere with the student’s regular class schedule. The parent(s) or guardian could be responsible for providing transportation in these cases. The parent(s) or guardian will be notified prior to the student’s placement in a work assignment if it is outside the normal school day.

Physical Restraint
The principal or his/her designated person(s) has the authority to use reasonable physical force to restrain a student from abusing or attempting to abuse himself, other students, teachers, administrators, parents, guardians or other staff members. This action may be taken when it is necessary to promote safety and prevent harm to all students, staff, and visitors in the schools. This must be done in a reasonable fashion to protect all parties involved. Law enforcement officials may be called to assist in the enforcement of this action.

School Bus Suspension
The principal or his/her designee has the authority to deny the privilege of riding a school bus based on the misconduct of the student. This action will be for a reasonable and specified period of time.

Expulsion
Any student expelled from school must meet the following criteria to be considered for admission:
1. The student must be eligible to apply for admission.
2. The student must petition the Board of Education for a hearing, be recommended by the Superintendent for admission, and approved by the Board.
3. If approved by the Board, the student will be admitted to CROSSROADS, where he/she must successfully complete one year before returning to the regular school.

VIDEO SURVEILLANCE
Board approved video equipment may be used to document student behavior. Disciplinary action may be taken as a result of this surveillance.
OUT-OF-SCHOOL-SUSPENSION

The Tallapoosa County Board of Education defines suspension as “the temporary removal of a student from school for violation of school policies, rules, or regulations; or orderly operations of the school.” When suspended, a student is prohibited from entering any Tallapoosa County School property and from attending or participating in school or Board-related activities (for example: athletic events, cheerleading, plays, concerts, practices, etc.) even if the activity is held off school grounds. Violation of this rule will result in additional charges of trespassing against the student. Students under local suspension (not assigned to CROSSROADS) will receive unexcused absences for all days missed due to the suspension and will not be entitled to make up work for the missed days. When a student is suspended during six weeks/mid-term/final examinations, he/she shall be given the opportunity to take missed examinations at a time specified by the principal or designee. Graduating seniors who are under suspension at the time of graduation may be denied participation in the commencement exercises. (Reference Board Policy 5.33.2)

Prior to the suspension of any student they are entitled to be treated pursuant to the provisions of the education for all Handicapped Children Act, all protections and rights provided by those acts will be accorded those students covered by them. **If a student is suspended from school, a parent/guardian will be required to come to the school to take the student home.**

CROSSROADS

The CROSSROADS Program is created to help students who have exhibited disruptive behavior and/or problems adjusting to the regular school setting. The mission of CROSSROADS is to provide a structured educational setting that redirects behavior in order for students to achieve success. The placement process will begin when the school principal meets with the student and his/her parent/guardian, notifying them of the process. The principal will send a signed copy of his/her recommendation along with the CROSSROADS application to the CROSSROADS committee at the Central Office. If the recommendation is approved, the CROSSROADS Administrator will arrange for an interview with the student and his/her parents. Parents must accompany the student to the interview and after signing the CROSSROADS contract, the student will be assigned to the program.

**Students must successfully complete the assigned time in the CROSSROADS program before returning to their school of origin.** The length of the assignment may vary for each student depending upon the severity of the infraction. Students who do not conform to the rules of the program may be subject to stronger disciplinary action by the Tallapoosa County Board of Education. The CROSSROADS instructional program emphasizes the core academic subjects based upon the individual needs of the students. The academic objectives will be provided by the school of origin and the students’ assignments will be graded by the school of origin. Curriculum software may be utilized.

CROSSROADS students are prohibited from attending all extra-curricular activities for any of the schools in the county and may NOT attend AWAY events involving one of the county schools. Students assigned to CROSSROADS are not allowed on campus for any reason other than attending the CROSSROADS program.
INTERROGATIONS AND SEARCHES

I. Search of Property

The Tallapoosa County Board of Education fully recognizes the implications of constitutional law in the area of student privacy. The board is equally aware that such tangible personal property items as student desks, student lockers, and related properties are and remain the property of the board.

The board is charged with maintenance of such property and thus authorized inspection for any maintenance-related reasons. With respect to opening said lockers or desks for other reasons, the following will apply throughout the school system.

Desks, lockers, and other equipment at any school belong to the school board and, although assigned to particular students for use, may be entered and searched by school officials whenever said school officials have reasonable suspicion, belief or cause that some substance or other material is contained therein which is illegal, harmful to the safety of the student himself or the student body as a whole, or significantly disruptive to the overall discipline of the school.

Vehicles driven by students and parked on school property are subject to search with or without the consent of students. Students shall not be allowed to park automobiles on campus until such time that a student vehicle registration has been properly completed and returned to the school. Such forms shall be maintained on file at the school.

School officials may read, examine, or inspect the contents of any electronic communication devices upon reasonable suspicion that the device contains evidence of an actual or suspected violation of the law, of Board policy, of the code of student conduct, or of other school rules, provided that the nature and extent of such examination shall be reasonably related and limited to the suspected violation.

Any items which are specifically prohibited by law, by board policy or by fair and reasonable local school regulations may be impounded by school officials. Such prohibited items will include, but not be limited to the following: (1) any weapons, (2) drugs of any sort, (3) alcoholic beverages, (4) pornographic or otherwise obscene material, or (5) any other object, controlled substance or material which would be a violation or evidence of a violation of federal or state law, of board policy, or of the local school’s fair and reasonable regulations.

If possible, the student or students shall be contacted prior to any search of a desk or locker assigned to such student, and the desk or locker shall be opened in his/her presence. A witness from the professional staff shall be present during the inspection at all times when students cannot be contacted.

The content of this policy shall be communicated to all students and staff at the beginning of each school year.

II. Search of a Student’s Person

The board authorizes teachers and administrative personnel who have reasonable suspicion, belief or cause that a student or students are in possession of weapons, illegal drugs or other items harmful to the student or students or to the health or welfare of the student body to search the person or said student(s) under the following conditions:

1. Any such action will not be taken unless there is a reasonable suspicion, belief, or cause of violation of law or policy.
2. Any such action will not deliberately be intended to embarrass, harass, or intimidate the student(s).
3. Parents/Guardians shall be notified, in writing, of all such searches of a student’s person. A copy of said notice shall be retained by the principal.
4. The above search will be done with the knowledge and supervision of the principal.

Any search of a student’s person will be done privately by a teacher or administrator of the same sex as the student to be searched. At least one witness who is an administrator or teacher, also of the same sex as said student, will be present throughout the search.

Reasonable suspicion, belief, or cause of violation of law or policy may be based upon information from such sources as faculty member, student, a law enforcement officer, visual evidence or any combination of these factors.

III. Detection of Illegal Drugs
The Board authorizes law enforcement agencies to make periodic, unannounced visits to any of its schools for the purpose of detecting the presence of illegal drugs. Such visits are unannounced to anyone except the Superintendent and building Principal.

IV. Interrogations of Students
A student enrolled in Tallapoosa County Schools will not be interrogated by any law enforcement authority or representative of the courts on public school property during regular school hours without the knowledge of the school’s principal or his designee. All interrogations will be conducted in private, with an official school representative (principal or his designated representative) present. An exception may be made in cases of interviews by the Department of Human Resources.

When law enforcement officers make it known that they wish to talk to a student while under the supervision of the school, the student will be informed by the principal or assistant principal that the student has three choices:

• He/she may converse by telephone with his/her parent/guardian.
• He/she may decline to talk to the officers until his/her parent/guardian is present.
• He/she may talk with the officers either in or outside the presence of a school official.

School officials will make every reasonable effort in every case to notify the parent/guardian, unless it is believed not to be warranted by school officials or law enforcement based upon the nature of the investigation. In those instances where a parent/guardian cannot be present within a reasonable period of time, school officials must allow interviews by law enforcement officials to proceed in the absence of the parent/guardian.

No student shall be removed by law enforcement from the school without a warrant or petition being officially served.

To ensure that all rights and requests are respected, the following procedures will be followed by school administrators:
- Every reasonable effort will be made to contact or have a parent or guardian present.
- Do not allow the police to take the student from school unless the student is under arrest.
- Make certain that only a school administrator and not the police summons the student out of class.
- Be certain the student is advised of his/her rights.
- A school administrator should be present during the entire interrogation.
- The school administrator should not participate in the questioning of the student.

**PROCEDURES FOR CORPORAL PUNISHMENT**

As a method to maintain discipline or to enforce school rules, a principal or principal’s designee, may administer corporal punishment. Such punishment shall be administered under conditions which do not hold the student to ridicule or shame.

Whenever corporal punishment is administered, a written report shall be made and a copy forwarded to the child’s parents. A parent or guardian may request in writing that their son/daughter be exempted from corporal punishment and that an alternative punishment be given. The request for exemption must be accompanied by the offering of an alternative disciplinary method by the parent or guardian that is acceptable to the principal.

The procedures listed below must be followed to guarantee proper and legally required due process on behalf of the student (For Class I and II Offenses):

1. Prior to corporal punishment, initial efforts and/or alternative methods should be taken in an attempt to modify the student’s behavior.
2. The administration of corporal punishment must occur in the presence of another professionally certified school employee, but only after:
   a. The school employee is informed about the reasons for punishment in the presence of the student.
   b. The student is given the opportunity to defend his/her position.

Each teacher is held responsible for the discipline within his/her room or class. The Tallapoosa County Board of Education permits the use of corporal punishment (paddling) under the following conditions:

I. The student has been notified of the offense for which he/she is to receive corporal punishment, and the student has been given an opportunity to explain his/her actions;

REFERENCE(S) CODE OF ALABAMA 16-1-14

Academic Honesty  
Academic honesty is important in Tallapoosa County Schools. Cheating will not be tolerated in any form. This includes but is not limited to: copying someone’s work, allowing others to copy one’s work, plagiarism, or misuse of school computers. Students found to be academically dishonest will receive a zero on the assignment and possibly face disciplinary actions.

DRUGS AND ALCOHOL  
Non-medical use of drugs and alcohol is hazardous to the health of students, interferes with the education of the user, disrupts the proper conduct of school activities, and is illegal. Therefore, the Tallapoosa County Board of Education has established a drug and alcohol use policy so that students attending the Tallapoosa County Schools will have the opportunity to be educated in a drug and alcohol free environment.

The purpose of this policy is to provide a clear message to students, parents, and citizens of the community that the use, possession, distribution, sale, or being under the influence of alcoholic beverages, or illegal drugs will not be tolerated on school buses, in school buildings, on school property, or at school-sponsored or related activities (including field trips, athletic, and music trips) held on or off school property.

The Tallapoosa County Board of Education recognizes its responsibility to provide a program of drug education so that all students are made aware of the physical and psychological dangers incurred through the use of illegal drugs and alcohol. Furthermore, the school system will provide, without penalty, available information to any student needing drug and alcohol
treatment or advice and will protect, in accordance with the law, the due process rights of all students. However, once it has been determined that a student has used, possessed, distributed, sold or is under the influence of alcohol or illegal drugs as defined in board policy in school buildings or upon school property or at school sponsored events, disciplinary sanctions, up to and including expulsion and referral for prosecution, will be imposed if the standards of conduct are violated.

TALLAPOOSA COUNTY BOARD DRUG AND ALCOHOL POLICY

Possession, use, or selling controlled substances (drugs, alcohol) will not be tolerated in Tallapoosa County Schools. The only type drugs that will be permitted are those obtained from a doctor for the relief of an illness.

A student will not knowingly possess, use, sell or otherwise transmit or appear to be under the influence of illegal drugs as defined in Title 20, Chapter 2, as amended, 1975 Code of Alabama:
1. on school premises during and immediately before or after school hours.
2. on school premises at any other time during which the school or any facilities thereof are being used by any school group, or
3. off school premises at a school sponsored activity, function, or event.

FIRST OFFENSE:
If, after thorough investigation by the school principal, a student is found to have violated this policy, the student will be suspended from school by the principal up to ten (10) days pending placement in the CROSSROADS Program. If there is no opening in the CROSSROADS program when this student returns from the out-of-school suspension assignment, the student will report to In-School-Intervention until placement in CROSSROADS.

Also, the student will be excluded from participation in all extra-curricular programs and events, including sports, band, chorus, cheerleading, clubs, etc., for the duration of the In-School-Intervention and CROSSROADS assignment.

In addition to the above, the student’s name will be transmitted to proper legal authorities. It is also strongly recommended that both the student and parents attend some type of professional counseling.

SECOND OFFENSE:
If the student commits a second violation of this policy, the principal will recommend to the Superintendent that the student be expelled from school for one calendar year. This recommendation will then be made to the Tallapoosa County Board of Education. Also, once again, the student’s name will be transmitted to the proper legal authorities.

THIRD OFFENSE:
If the student commits a third violation of this policy, he/she may be permanently expelled by the Tallapoosa County Board of Education from attending all schools within Tallapoosa County. Also, the student’s name will be again transmitted to the proper legal authorities.

K-3 CODE OF CONDUCT
CLASS II: INTERMEDIATE OFFENSES

The principal will try to handle disciplinary issues among this age group at the lowest possible administrative level. When students are actively involved in classroom activities and are willing to cooperate with the teachers and fellow classmates, a productive learning environment is established. However, it may be necessary to deal with students on an individual basis if they are not willing to perform accordingly. It is our goal to maintain a safe, disciplined learning environment so that all students have the opportunity to be successful.

If it is necessary to discipline K-3 students for intermediate offenses, the principal will use appropriate guidelines which will ensure consistency in these actions. These actions may include: Parent conference and/or Isolation, Detention, In-School-Intervention, Corporal Punishment, Bus Suspension, and Out-Of-School-Suspension.

SEXUAL HARASSMENT POLICY FOR STUDENTS AND EMPLOYEES

I. The Tallapoosa County Board of Education prohibits harassment against any employee, applicant for employment, student, or student applicant based upon race, color, religion, gender, age, ethnicity, national origin, marital status, disability, political or religious beliefs, or social and family background. This policy also applies to non-employment volunteers who work subject to the control of school authorities.

II. The Superintendent shall develop procedures which shall be used by persons alleging harassment.

III. Sexual Harassment by Students – The Tallapoosa County Board of Education desires to maintain an academic environment in which all students are treated with respect and dignity. A vital element of this atmosphere is the Board’s commitment to equal opportunities and the eradication of discriminatory practices including sexual harassment. Sexual harassment is specifically prohibited by state and federal law and instances of harassment may result in both civil and criminal liability on the part of the individual harasser as well as the Tallapoosa County Board of Education. Sexual harassment’s destructive impact wastes human potential, demoralizes students, and perpetuates the tendency toward further unacceptable behavior. For these reasons, the Tallapoosa County Board of Education forbids harassment against any student on the basis of gender. The Board will not tolerate harassment activity by any of its students.

A. Definition – Sexual harassment consists of unwelcome sexual advances, requests for sexual favors, and other inappropriate verbal or physical conduct of a sexual nature, wherever such harassment occurs on school property or at a school sponsored event, that is aimed at coercing an unwilling person into a sexual relationship whether or not it involves physical contact, or that substantially interferes with a student’s academic performance, or creates an intimidating, hostile, or offensive school environment.

Examples of sexual harassment may include but are not limited to the following:

1. Verbal harassment or abuse of a sexual nature;
2. Subtle pressure for sexual activity;
3. Repeated remarks to a person with sexual or demeaning implications, e.g., a person’s body, clothes or sexual activity;
4. Unwelcome or inappropriate physical contact such as patting, pinching, or unnecessary touching;
5. Suggesting or demanding sexual involvement accompanied by implied or explicit threats;
6. Display of sexually suggestive objects, pictures, or written materials;
7. Sexual harassment does not refer to occasional compliments or welcomed interactions of a socially acceptable nature.
B. Specific Prohibition - It is sexual harassment for a student to subject another student or a school employee to any unwelcome conduct of a sexual nature on school property or at a school sponsored event. Students who engage in such conduct shall be subject to penalties as described herein.

C. Procedures-any student who alleges sexual harassment by an employee or another student should report the harassment to the building principal, assistant principal(s), guidance counselor(s) or Superintendent’s designee. Filing of a complaint or otherwise reporting sexual harassment will not affect the student’s status, extracurricular activities, grade or any other assignments. The complaint should be in writing, state the act or acts, state the date(s), state the names of witnesses, and are signed by the complainant.

1. The right to confidentiality, both of the complainant and of the accused, will be respected, consistent with the Board’s legal obligations and with the necessity to investigate allegations of misconduct and take corrective action when this conduct has occurred.

2. In determining whether alleged conduct constitutes sexual harassment, the totality of the circumstances, nature of the conduct, and the context in which the alleged conduct occurred will be investigated. The Superintendent or designee has the responsibility of investigating and resolving complaints of sexual harassment.

D. Penalties - A substantiated charge against a student shall subject that student to disciplinary action consistent with the Code of Student Conduct.

IV. Sexual Harassment by Employees – Definition – Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors and other inappropriate verbal, non-verbal or physical conduct of a sexual nature when:

A. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment or a student’s education;

B. Submission to or rejection of such conduct by an individual is used as the basis for employment or academic decisions affecting such individual;

C. Such conduct has the purpose or effect of unreasonably interfering with an individual’s work performance or student’s educational performance or creating an intimidating, hostile or offensive work or school environment.

D. Examples of sexual harassment may include, but are not limited to, the following:

1. Verbal harassment or abuse of a sexual nature;
2. Subtle pressure for sexual activity;
3. Repeated remarks to a person with sexual or demeaning implications, e.g., a person’s body, clothes or sexual activity;
4. Unwelcome or inappropriate physical contact such as patting, pinching, or unnecessary touching;
5. Suggesting or demanding sexual involvement accompanied by implied or explicit threats;
6. Display of sexually suggestive objects, pictures, or written materials.

E. Sexual harassment does not refer to occasional compliments or welcomed interactions of a socially acceptable nature.

F. Any suspected child abuse shall be reported in accordance with state law.

G. Specific Prohibition – Sexual harassment in any form is prohibited. All claims of sexual harassment will be subject to prompt and thorough investigation.

1. It is sexual harassment for an administrator or supervisor to use his/her authority to solicit sexual favors or attention from subordinates, including, but not limited to, incidents when the subordinate’s failure to submit will result in adverse treatment, or when the subordinate’s acquiescence will result in preferential treatment. Administrators and supervisors who either engage in sexual harassment or tolerate such conduct by other employees shall be subject to penalties.

2. It is sexual harassment for a non-administrator and non-supervisory employee to subject another such employee to any unwelcome conduct of a sexual nature. Employees who engage in such conduct shall be subject to penalties.

3. It is sexual harassment for a Tallapoosa County Board of Education employee to use his or her authority to solicit sexual favors or attention from students. Board employees who either engage in sexual harassment or tolerate such conduct by other employees shall be subject to penalties.

H. Procedures – It is the responsibility of any employee to promptly report any occurrence of alleged sexual harassment. This policy on sexual harassment shall be communicated to all employees to inform them that a procedure exists for reporting claims of sexual harassment, that management will promptly investigate all alleged incidents of sexual harassment, and appropriate corrective action will be taken. Complaints should be reported to the Superintendent or designee and should be in writing, state the act(s), state the date(s), state the name(s) of witnesses and be signed by the complainant. Investigations will be conducted with discretion. The right to confidentiality,
both of the complainant and of the accused, will be respected, consistent with
the Board’s legal obligations and with the necessity to investigate
allegations of misconduct and take corrective action when this conduct
has occurred. Claims found to be factually supported will be promptly
acted upon. No employee or student shall be retaliated against, in any manner,
for reporting conduct which is believed to be a violation of this rule or for participating
in an investigation of a possible violation of this rule.

In determining whether alleged conduct constitutes sexual harassment, the
totality of the circumstances, nature of the conduct and the context in which
the alleged conduct occurred will be investigated. The Superintendent or
designee has the responsibility of investigating and resolving complaints
of sexual harassment.

I. Penalties – Necessary disciplinary action, up to and including termination,
may result if sexual harassment occurs. Any employee who makes false
allegations of sexual harassment will be subject to appropriate disciplinary
action, up to and including termination.

STUDENT ATTENDANCE POLICY AND TRUANCY DEFINITION

All students, regardless of age, enrolled in the Tallapoosa County School System are required to be in continuous attendance at their designated school. Prompt and regular attendance at school provides students with the skills needed for future success and aids in the development of good character. While occasional absences are unavoidable, state law places the responsibility for regular attendance upon the parent/guardian.

A parent, guardian, or other person having charge of any child officially enrolled in Alabama public schools (K-12) shall explain in writing the cause of any and every absence of the child no later than three (3) days following return to school. A failure to furnish such explanation shall be evidence of the child being truant each day he/she is absent. The child shall also be deemed truant for any absence determined by the principal to be unexcused based upon the State Department of Education’s current School Attendance Manual. Seven unexcused absences within a school year constitutes a student being truant for the purpose of filing a petition with the Court. The Interagency Committee on Youth Truancy Task Force recommendations known as the Early Warning Truancy Prevention Program timeline for reporting truancy shall define truancy status of any student as follows:

1. Third truancy/unexcused absence (warning)
   - Parent/guardian shall be notified by the school principal or his/her designee that the student was truant and the date of the truancy.
   - Parent/guardian shall also be provided with a copy of Alabama’s compulsory school attendance laws and advised of the penalties that can be applied and the procedures that shall be followed in the event that other unexcused absences occur.

2. No earlier than the fifth unexcused absence. (conference) The parent, guardian, or other person having control of the child shall attend a conference with the attendance officer and principal or his/her designee.
   - Attendance at one of these conferences shall be mandatory except where prior arrangements have been made or an emergency exists.

3. No earlier than the seventh unexcused absence, but within ten (10) school days (court)
   - File complaint/petition against the child and/or parent/guardian, if appropriate.

   - The school attendance officer should be notified by the juvenile probation officer of all children in the school system under probation supervision by the juvenile court as consistent with state statute, Code of Alabama (1975), 12-15-100 and 105.

5. Any local education agency may adopt a policy more rigorous than that of the State policy.

STUDENT ATTENDANCE REGULATIONS

EXCUSED ABSENCES

In accordance with state law, a parent(s)/guardian(s)/custodian(s) must explain the cause of every absence of students under his/her control or charge. Every student, upon return to school, must bring a dated, written excuse signed by the parent(s)/guardian(s)/custodian(s) stating the reason(s) for and date(s) of the absence. Any students who return to school without proper excuse will have three (3) days to bring a note to clear the absence(s). A written note does not guarantee that an absence will be marked excused. After this three (3) day period, the absence will automatically become unexcused.
Absences Defined
After a total of 5 absences in any given semester, the parent(s)/guardian(s)/custodian(s) will be required to provide medical or legal documentation in order for the absences to be excused. All written excuses shall be retained for the remainder of the school year in the principal’s office or other locations.

Absences Defined
School Day- A school day absence is defined as non-attendance for more than fifty (50) % percent of the scheduled school day.
Class- A class absence is defined as non-attendance for more than fifty percent (50%) of a regularly scheduled class. To be counted present, a student must be present more than fifty percent (50%) of the scheduled class time.

All student absences shall be designated as either excused or unexcused by the principal or designee. In accordance with Alabama law, a student shall be excused for an absence from school for any one of the following reasons:
1. Student is too ill to attend school;
2. As determined by the superintendent or principal, inclement weather which would make school attendance dangerous for students;
3. Legal quarantine;
4. Death in the immediate family;
5. Emergency conditions as determined by the superintendent or principal, examples: court appearance, military orientation, driver’s license test (limit one-half (1/2) day; and
6. Absence with prior permission of the principal or designee and consent of the parent(s)/guardian(s)/custodian(s). This request must be in writing at least one (1) week prior to the expected absence. When the absence involves a trip, the principal may require a written report from the student detailing the educational benefits of the trip.

UNEXCUSED ABSENCES
Absence for reasons other than those defined above shall be considered as unexcused. Examples: personal business, hair appointments, employment business, work, babysitting, shopping, vehicle breakdown, parent(s)/guardian(s)/custodian(s) failure or refusal to require student’s attendance, missed bus, oversleeping, and unauthorized absences from class after arrival at school.

Any student accumulating more than ten (10) unexcused absences, during the school year, may not be awarded credit for the course taken and will be considered a candidate for retention. High school attendance will be counted on a per class period basis. Check ins/outs will count toward parent notes.

Make-Up Work-Excused Absences
If a student is absent for any excused reason as defined above, the student shall be allowed to make up all major assignments and other work missed during the absences at a time agreeable to the teacher(s). Teachers shall not be required to re-teach lessons, but the students shall be given a reasonable opportunity to learn the material missed due to excused absences.

At the Upper Grade Levels (Grades 7-12) – The student shall be responsible for contacting the teacher or teachers to arrange to make up any work or assignments missed within three (3) days after he/she returns to school.
At the Lower Grade Levels (K-6) – The parent(s) / guardian(s)/ custodian(s) shall be responsible for arranging make-up work with his/her child’s teacher(s) within three (3) days after the child returns to school.

**Time Limits for Make-up Work** – In making arrangements for make-up assignments the teacher should consider the type of absences, the number of days absent, the amount and nature of work missed, and number of make-up assignments due in all classes. The parent(s) / guardian(s) / custodian(s) is expected to follow-up with his/her child to insure that make-up work is completed promptly and thoroughly.

**Make-Up Work – Unexcused Absences**

Teacher shall not provide make-up work or examinations for students absent for unexcused reasons. Teachers, at their discretion, may require students absent for unexcused reasons to make up homework, class work, etc., on a non-credit basis in order to help such students maintain academic pace. Teachers shall not assign zeroes to students absent for unexcused reasons on an automatic basis; zeroes may be assigned to such students only when other students in general receive grades for homework, examinations, recitation, etc.

**Student Accounting**

A student must be present more than fifty percent (50%) of the school day to be counted present in the Attendance Register.

**Student Tardies**

A tardy is defined as a student’s arrival after the official time set for the beginning of each respective school’s regular daily activities. Students are required to report to schools no later than the official beginning of the school day and to be on time for all classes during the day. Students who arrive after school has begun must be checked in by a parent(s) / guardian(s) or custodial parent. Tardies are excused for the same reasons as absences. Only an excused tardy permits make-up work for missed assignments. Tardies are compiled quarterly (per grading period).

**TARDY TO SCHOOL POLICY- See Local Student Handbook**

**Late Arrivals/Early Dismissals**

If a student checks in to school late or is dismissed early, the student must be signed in or out by a parent/ guardian in the office. Habitual late sign-ins may require a parent conference to discuss reasons for being late. Late arrivals/early dismissals shall be considered unexcused absences from those class periods missed unless evidence is presented to the principal or designee by the parent(s) / guardian(s) or custodial parent that the late arrival/early dismissal was for an excused reason. Students must make arrangements for late arrivals/early dismissals through the school office and in compliance with local school procedures.

**PROMOTION POLICY FOR KINDERGARTEN**

Kindergarten students must make a 70 or higher on the end of year Reading and Math assessment. State and benchmark assessments, along with teacher and administrative input will also be taken into consideration. The authority for determining promotion and/or retention will rest entirely with the teacher(s) and principal."
PROMOTION POLICY FOR GRADES 1-6
Students in Grades 1-6 must pass Reading and Math to be considered for promotion.
A student performing below grade level could be considered for retention. The determination process should involve the principal and teacher(s) with the authority for determining promotion and retention resting entirely with the teacher(s) and principal.

In all cases, the decision of whether a student should be promoted or retained shall be made on the basis of which grade placement provides the student a better chance of progressing in his/her educational development.

PROMOTION POLICY FOR GRADES 7-8
Students in Grades 7-8 must pass all four (4) core academic courses (English, Mathematics, Science and Social Studies) as well as one (1) additional course in order to be promoted to the next higher grade. Students who do not pass the required core courses/subjects for promotion are strongly encouraged to attend an approved summer school.

Students who do not pass the required courses/subjects each year will be retained at their current grade level for the next school year with the following exceptions:

1. A student who does not meet the established criteria for promotion may be retained one time in grades 7-8 if the student has been previously retained in grades K-6.
2. A student who does not meet the established criteria for promotion may be retained two (2) times in grades 7-8 if the student has not been previously retained in grades K-6.
3. A student should not be retained in grades 6-8 if the student will reach his/her sixteenth birthday during the following academic year.

TALLAPOOSA COUNTY SCHOOLS CREDIT RECOVERY PLAN

Credit Recovery for Tallapoosa County Schools is a course-specific, skill-based extended opportunity for students who have been unsuccessful in mastering content or skills needed to receive course credit or earn promotion. Credit Recovery study is based on deficiencies rather than a repeat of the entire course. Students who fail a course with a grade of 44 or below must repeat the entire course either in summer school/alternative school or the following school year.
Guidelines:

I. Admission and Removal
   a. **Students in grades 9-12 who earned a failing grade of 45-59% will be considered for the program.** The CROSSROADS PLUS program may use software to supplement instruction based upon the availability.
   b. Priority will be given to eleventh and twelfth grade students who are closest to meeting graduation requirements. Next priority would be repeating ninth and tenth grade students and then seventh and eighth grade students.
   c. Students must complete an application process and be accepted for the Credit Recovery Program.
   d. Students and parents should understand Credit Recovery Classes (CR) are not recognized by the National Collegiate Athletic Association.
   e. Students must have a parent/ guardian’s consent to apply for credit recovery.
   f. The grading period in which the student received the failing grade must be completed before the student can enroll in the credit recovery program.
   g. Students with excessive absences or those who do not follow the guidelines of the program can be removed from credit recovery.

II. Instruction
   a. Facilitators of computer-based Credit Recovery Program:
      i. Facilitator/assigned certified teacher approved by the LEA.
      ii. Shall receive professional development in online methodology and technical aspects of Web-based instruction.
   b. Students in credit recovery will:
      Complete a course skill-specific diagnostic assessment provided by the vendor of the software or online course to determine required content to master.

III. Content and Curriculum
   a. Credit Recovery content may be delivered through instructional technology.
      i. During the regular school day **if it does not interfere with a core-academic class.**
      ii. After school
      iii. Summer School
      iv. In the CROSSROADS Program
   b. Credit Recovery curriculum shall be aligned with the Alabama Course of Study content standards.

IV. Grades
   Student progress will be assessed regularly. In order to receive a credit for the course, the student must make a minimum passing score. For a Credit Recovery course no grade higher than 70 can be assigned.

V. The Credit Recovery Grade will not replace the original failing grade, but will be indicated as an additional grade with a post script to the course name on the transcript as a credit recovery course.
TALLAPOOSA COUNTY VIRTUAL ACADEMY

The purpose behind the Tallapoosa County Virtual Academy (TCVA) is to allow students an opportunity to earn credits and scheduling flexibility through a virtual option for students in Grades 9-12, while creating a pathway to graduation through a virtual education program.

I. The Tallapoosa County Board of Education shall create a virtual pathway or virtual education option that will lead to an online pathway to earn a diploma for students in Grades 9-12 who reside within the attendance areas served by the Board. This program shall be known as the Tallapoosa County Virtual Academy (TCVA.)

II. The Superintendent shall cause to be created guidelines for enrollment and participation for students choosing the TCVA option, consistent with Alabama Legislative Act No. 2015-89, and any subsequent legislation or directives provided by the Alabama State Department of Education.

(REFERENCE(S): Alabama Act 2015-89)

CONFERENCES

Local school teachers and principals are available to parents for scheduled conferences to discuss student progress in academic work and conduct. While report cards are distributed on a periodic basis, a conference can often serve as a more effective method of communication between the school and the home. The board of education encourages parents and the public to arrange conferences through the principal or assistant principal at the school.

GRIEVANCE PROCEDURE POLICIES

GENERAL

Students have both the right and the responsibility to express school-related concerns and grievances to the teachers and school administrators.

PROCEDURE

The normal procedure followed by any student regarding a personal grievance is to discuss the matter with the teacher involved. When the nature of the grievance dictates otherwise, the student, upon notifying the teacher directly involved, may request a meeting with the school principal. Such meetings should be granted within two (2) school days at a reasonable time and place. One faculty member of the student’s choice or his/her parent(s) or guardian(s) may be present at such meeting. For the purpose of this policy, a grievance is defined as a claim submitted by a student of a violation, misinterpretation, or inequitable application of local board policy, local school rules and regulations, or local administrative procedure.

GRIEVANCE DEFINED

The term “grievance” shall apply to matters which fall within the discretionary powers of the principal, Superintendent, and/or Board, but shall not apply to areas where the principal, Superintendent, and/or Board has no authority to act.

APPEAL

It is expected that most student grievances will be resolved satisfactorily at this level. However, in the event that the grievance cannot be settled by this procedure, then the student through his/her parent(s) or guardian(s) may pursue the grievance to the Superintendent and then to the Board.
EMERGENCY SCHOOL CLOSING PROCEDURES

Occasionally, a circumstance arises which makes it necessary to close school before the usual time. Such a circumstance might be snow, storms, floods, or other unforeseen emergencies. When this occurs, the following procedure will be followed:

1. In case of emergency, the Superintendent may close any school or all schools. The members of the Tallapoosa County Board of Education shall be informed of any event or condition which requires the closing of any school(s) of the system.

2. In the event of a declared state of emergency, control of pupils shall be retained by school personnel until pupils are released from school or in the case of transported pupils, until the students depart from the school bus.

3. The school officials shall cooperate with emergency management and Red Cross authorities in the event of a natural or man-made disaster. In the event of a riot or similar condition, the principal shall cooperate with law enforcement.

SPECIAL EDUCATION SERVICES
Tallapoosa County School System’s Special Education Policy states:

- Tallapoosa County School System ensures that a free appropriate public education, consistent with the standards established by this plan and by the state and federal regulations, is being provided to all children with disabilities ages 3-21.

- The Tallapoosa County School System ensures that all children residing within the jurisdiction of the local education agency, birth to twenty-one regardless of the severity of their disability and who need special education and related services, are identified, located, and evaluated.
If you have any concerns about your child’s progress and would like more information about these services, please feel free to contact the school’s administrator, the school counselor, or the Special Education Coordinator Page Cotten at 256-825-0746 or email at page.cotten@tallapoosak12.org.

SECTION 504 SERVICES
Section 504 is a section in the Rehabilitation Act of 1973 that prohibits discrimination against persons with disabilities. To qualify for protection under Section 504, a student must have a documented disability that substantially limits his/her learning or other major life activity (e.g., walking, talking, breathing). There is a referral and eligibility process for Section 504. Depending on the documentation available, additional testing to confirm the disability and its impact on learning may be needed. If the student is eligible, a 504 Plan, if needed, is developed. The 504 Plan, updated annually, will specify the accommodations this student needs. The Tallapoosa County School System offers a full range of accommodations for students, with disabilities. These services are typically different from special education services. We can offer accommodations in the way we present material to a student or in the way a student is asked to respond, but if the student requires specially designed instruction, then the student would need to be evaluated for special education services.

If you would like more information about these services, you may contact the school Administrator, the school counselor, or the Section 504 Coordinator at (256) 825-0746.

RESPONSE TO INSTRUCTION
The purpose of Response to Instruction (RTI) is to address the challenge of preparing students for a successful transition to ninth grade and ultimately graduation from high school prepared for college and careers. This preparation begins in kindergarten through standards-based instruction based on mastery of content and skills at each grade level. RTI is a framework that combines the elements of core instruction, formative assessments and progress monitoring and intervention strategies for all students in all subjects and all grades.

Each school in Tallapoosa County has a Problem Solving Team (PST). These teams have been created to provide support to students who are at risk, either academically, behaviorally, socially, or emotionally. The PST is comprised of the building level administrator (principal or asst. principal), the school guidance counselor, and various teachers with expertise not only in their particular area, but in teaching strategies and behavioral intervention.

When it is determined that a student is at risk of not experiencing school success and is in danger of failure and/or non-completion, the student’s teacher refers the student to the PST. Using a Tiered Instruction Model, the PST will then recommend specific high-quality research-based instruction to be implemented by the student’s teacher(s) or other specialist in the school. The student’s progress is monitored during the time these instructions are being implemented and is reviewed by the PST monthly. The intervention period lasts a minimum of 8 weeks, but instruction can continue throughout the entire year and into the next school year, if needed. Instructions that are successful can continue to be implemented beyond the 8 week period, until the student is no longer in need of them.

Parents have the right to request a special education evaluation. Parents who are considering requesting an evaluation for special education eligibility are
strongly encouraged to allow your child to participate fully in the Response to Instruction (RTI) process prior to the request. The RTI process is designed to ensure the implementation of appropriate instruction, which is a process prior to the request. The RTI process is designed to ensure the implementation of appropriate instruction, which is a necessary factor to consider in determining whether a disability is present and special education services are ultimately needed.

If you have any concerns about your child’s progress and would like more information about PST or the RTI process, please contact your school administrator, counselor or your child’s teacher.

**EXCEPTIONAL EDUCATIONAL SERVICES**

The Tallapoosa County School System ensures that a free and appropriate public education will be provided to all children ages three to twenty-one, regardless of the severity of disability or special education needs, as long as the child resides within the jurisdiction of the local education agency.

The Tallapoosa County School System provides an on-going identification process for students with disabilities. We offer evaluations and services for students age 3-21. If you would like more information or know of a child with a disability or suspect that a child has a disability, please contact Page Cotten, Special Education Coordinator at (256) 825-0746, fax (256)825-8244; page.cotten@tallapoosak12.org

**GIFTED**

Gifted students are those who have demonstrated the potential to perform at high levels in academic or creative fields when compared to other students of the same age, experiences, and background. These students require services not ordinarily provided by the regular school program. Students possessing these abilities can be found in all populations across all economic strata and in all areas of human endeavor.

All students in the second grade are considered as potentially gifted students. Second grades students are presented with activities that are designed to give them the opportunity to display gifted behaviors. After Christmas, second grade teachers make referrals to the Gifted program. In addition to the second grade teachers, anyone with knowledge of the student’s abilities may refer a student for consideration. Parental consent is required prior to us proceeding any further.

Once consent is received, a screening team reviews information in the areas of intelligence or creativity, gifted characteristics and performance (work samples, achievement scores, portfolios, etc.). The screening team then determines if there is enough evidence to proceed with an evaluation for the Gifted program.

The state of Alabama used a matrix to determine eligibility. Students who achieve the minimum required score on the matrix (aptitude, characteristics and performance indicators) are considered eligible for gifted services. A Gifted Educational Plan (GEP) is developed for these students. Written parental consent is required prior to the provision of services. If you would like to make a referral, or if you would like more information about these services, contact the principal or counselor at your child’s school.
The Tallapoosa County School system strongly believes that gifted students may be found within any race, ethnicity, gender, economic class, or nationality. Some students with disabilities may also be gifted. The Tallapoosa County School system shall prohibit discrimination against any student on the above basis with respect to his/her participation in the gifted program.

EXTRA-CURRICULAR ACTIVITIES

It is the policy of the Tallapoosa County Board of Education to encourage participation in extracurricular activities and clubs by students. No eligible student is to be denied the opportunity to participate in any activity or club. The sponsor, coach, or director of each extracurricular activity establishes specific requirements for participation in his/her particular program and is available upon request, to fully inform any student about the program.

School Health Services

REASONS TO NOT SEND YOUR CHILD TO SCHOOL:

- Fever of 100 degrees or more
- Cold symptoms serious enough to interfere with the ability to learn
- Headache severe enough to interfere with the ability to learn
- Cough causing difficulty breathing or moderate to severe chest pain
- Nausea, vomiting and/or diarrhea
- Undiagnosed rash or open sores with drainage
- Abdominal pain accompanied by elevated temperature, vomiting or diarrhea
- Sore throat that interferes with swallowing or accompanied by fever or rash
- Red, draining eyes
- Student has bacterial infection – keep at home until student has been on antibiotic therapy for 24 hour. If your child has been diagnosed with a staph infection, the area must be covered while at school

NOTE: The school nurse or staff cannot give Tylenol or any other over-the-counter medication (OTC) without a doctor’s order and your signature.

Medications: If your child needs to take ANY medication (prescription or over-the-counter) during the day, a medication form must be completed and signed by the doctor and the parent before the medication can be administered. These forms are available from the school office. It is required that the medication be delivered directly to the school by the parent in the original prescription or product bottle. This includes over-the-counter medications. Prescription medication should be in a pharmacy bottle/container with the pharmacy label attached. The pharmacy can provide you with two bottles for this purpose. MEDICATIONS SHOULD NEVER BE SENT ON THE BUS. Some medication, like asthma inhalers and EpiPens, can be ordered by the doctor to be self-administrated by the student but proper medication forms must be completed and given to the school nurse. We have been advised by the Alabama State Department of Education to refrain from allowing students to carry ANY over-the-counter medications. Again, this includes ALL over-the-counter medications, including but not limited to: Tylenol, Ibuprofen, Midol and Benadryl.
Instead, these medications should be stored with the school nurse and available for your child, as ordered by your doctor. If you have any questions or concerns about this, please call your school nurse.

**Accidents, Fractures, Sprains and More:** When a child becomes ill or injured at school, they are sent to the office. If the office staff or school nurse determines that the student may remain in school, they may be allowed to rest for a short time and then return to class. In case of a minor accident, first aid will be given and the student will be sent back to class. In the event that the student should not remain in school and is in need of medical attention, the parents will be contacted. If a parent cannot be contacted or cannot pick up the student, an ambulance will have to be called to take them to the hospital for evaluation and treatment. Therefore, please keep the school updated if your phone numbers change.

**Food Allergies, Insect Allergies and Potential Allergic Reactions:** Many students have peanut allergies. Therefore, it is important that you do not send any treats that contain peanuts or any peanut products to school. If your child is allergic to peanuts, other foods or insects, please discuss this with your doctor. Ask your doctor if your child should keep an EpiPen at school for emergencies. Become educated on your child’s allergy and develop a plan to prevent an allergic reaction. Be sure to discuss this allergy plan with the teacher and the school nurse.

**Conjunctivitis (pinkeye):** Do not send a student with suspected conjunctivitis to school. Pink-eye is contagious. Signs and symptoms of pinkeye can be: Redness of the sclera (the white part of the eye), yellow discharge from the eye, swollen eyelids, and crusty, sticky eyes. Your child must be on medication for 24 hours before returning to school.

**Lice:** Lice can create havoc in a household and in the school setting. Positive cases will be investigated by the school nurse. If your child is found to be positive, you will be contacted. A copy of the Lice Policy and Procedures can be obtained from your school nurse.

**Student Health Forms:** All students in the Tallapoosa County School System must have a Health Assessment Record completed by September 11. This form is made available to the Students at the beginning of each school year in this handbook. It should be completed and returned ASAP. The forms are also available at the school office or from the school nurse.

**Health Conditions:** If your child has a particular health condition, it is essential that you discuss this with the school nurse. Some conditions, such as diabetes, asthma and food/insect allergies, require the development of a school health care plan and emergency action plan. These plans are written by the school nurse, based on your child’s particular health care needs, and serve as a guideline for school personnel.

**Immunization Schedule Requirements:**

**IMPORTANT INFORMATION ABOUT MENINGOCOCCAL DISEASE AND VACCINE**

**What is meningococcal disease?**
Meningococcal disease is a serious illness, caused by bacteria. It is the leading cause of bacterial meningitis in children 2-18 years old in the United States.

**How do you catch the disease?**
The bacteria that cause meningococcal disease are very common. The disease is most common in children and people with certain medical conditions that affect their immune system. College freshmen living in dormitories also have increased risk of getting the disease. The disease is spread through exchange of respiratory

1 to 1 Chromebook INITIATIVE

Parent and Student Handbook for Device Procedures and Information

Tallapoosa County Schools
Dadeville, Alabama
SECTION 1 - Background Information

The Digital Transformation
The Digital Transformation is the Tallapoosa County Schools plan to use instructional technology to support student learning and instructional practices that are engaging, challenging, standards-based, and effective. A key component is implementation of a 1:1 device model. In a 1:1 model all students have an electronic device such as a laptop, Chromebook, or tablet. This allows for integration of technology into all learning environments.

The One-to-One Model of Instructional Technology
Research shows that there can be many positive benefits associated with providing digital devices to students. These include increased student technology use, improved student performance, more efficient and effective communication with families, more student-centered and project-based instruction, greater student engagement, increased teacher collaboration, and better relationships between students and teachers. The key to achieving these benefits is effective implementation.

- Leaving a Positive Digital Footprint

A critical component of the Tallapoosa County School 1 to 1 Initiative program is student education about digital citizenship and appropriate online behaviors. Students must view themselves as “digital citizens,” and are expected to consistently put into practice the technological skills and positive ethical considerations taught throughout the 1 to 1 Initiative. These are much more than stand-alone school-based expectations - these behaviors must carry-over into their personal lives for years to come.

Teachers and staff review cyber-safety rules with students frequently throughout the school year, and offer reminders and reinforcement about safe online behaviors. It is expected that all students and parents/guardians participating in the 1 to 1 Initiative will adhere to the Student Code of Conduct, Student Handbook, Acceptable Use Agreement, Board policies, and federal/state laws at all times. The Tallapoosa County Schools Acceptable Use Policy is located in the Tallapoosa County Schools Student Handbook and online at: http://www.tallapoosas12.org
It is the responsibility of the parent/guardian and the student to read and understand the current policy.
SECTION 2 - Receiving and Using Your Device

● Using Google Suite
Each student will receive a Tallapoosa County-sponsored personalized Google Suite account with a unique “@tallapoosak12.org” address. When logged into Google Suite, students have the capability to email teachers, create and save documents, presentations, spreadsheets, collaborate virtually with partners or groups on school projects, turn in assignments and assessments through the web, and more. Additionally, Google Suite has thousands of educational applications which teachers can use in math, science, language arts, social studies, music, physical education, foreign language, and art classrooms.

● Receiving and Returning Your Device
At the beginning of each school year, a parent/guardian must sign a Student/Parent Chromebook Use Agreement granting the district permission to provide the student with a device. The device will be issued with one charger. A student will not receive a device if the student has not completed enrollment in iNOW. Tallapoosa County Schools reserves the right to collect a device if residency cannot be verified.

At the end of the school year, the device and charger must be returned in the same condition in which they were provided. Students owing fees and Seniors must turn their device in by the date set by the school district. If the student has purchased a personal case, the student will keep their case. If a student withdraws or is expelled from Tallapoosa County Schools, the device, and charger must be immediately returned at that time. When returned, each device will be inspected. If any damage has occurred, payment must be made in order for the item to be repaired or replaced at that time. Parents/guardians assume sole financial responsibility for these damages regardless of the circumstances.

● Device Inventory and Asset Tag Information
Each device is property of Tallapoosa County Schools, and is individually labeled and inventoried (by asset number and device serial number) to the individual student to which it has been loaned for that school year. There is an inventory asset number attached on the bottom of the device- at no time should any Tallapoosa County inventory or asset number be tampered with or removed. Tampering with or removing an asset number constitutes damage and requires the device to be immediately returned to the school.

This includes but is not limited to using school-appropriate images and text on personalized screensavers and background pictures; interacting with classmates, staff, and others as you would in a classroom; and maintaining the privacy of your login information.

- Using Your Device at School

The Chromebook that is issued to you is configured to access the wifi at the school using the Tallapoosa County School network. It is likely that you will use your device every day at school in some way. Part of being prepared for school each day is having your device fully charged when
you arrive at school. Students should follow their teacher's’ instruction regarding when to bring the device to class. If a student repeatedly fails to bring their device to school or fails to charge it adequately, technology privileges may be suspended or revoked.

Tallapoosa County Schools employs a CIPA compliant Internet filter at all schools, therefore, to the greatest extent possible, the school network is filtered for content. Although Tallapoosa County Schools makes every effort to minimize a student’s exposure to inappropriate material through the use of the Internet filter, it is ultimately the responsibility of parents and guardians of students to establish and communicate standards that their children should follow when using electronic resources such as the Internet.

● Using a Device Outside of School
Your device is wifi ready and will connect to any wifi network, whether at home, school, or inside a business or public network. The internet filter for that specific network dictates content available on the device. When the device is connected to the internet outside of school, we will be utilizing GoGuardian or its equivalent to filter and monitor the device. GoGuardian or its equivalent education-focused software-as-a-service provider that offers Chromebook management and web filtering in and out of schools.

● Repairing or Replacing a Device

**Normal Wear and Tear**
Normal wear and tear is expected for Chromebooks and charging cables. The Tallapoosa County Schools Technology Department will determine if normal wear and tear has occurred and will process all repairs.

**Damage**

*When damage to a Chromebook or charging cable issued to a student results from lack of care or intentional damage, the full cost of the repair must be paid for by the student’s parent/guardian.*

The full cost of any repair will be determined by market value at the time of repair. Once one-half of the damage cost has been paid, the student is eligible for a loaner device. The TCS Technology Department will determine if damage due to lack of care or intentional damage has occurred and will process all repairs. Each student will be held accountable for damage to the device issued to him/her unless there is clear evidence and documentation that the damage was caused by someone else. This includes marking on it, intentionally scratching it, or adding stickers to it.

**Loss or Theft**
If a Chromebook or charging cable issued to a student is lost or stolen, the student’s parent/guardian must file a report with the police department or school resource officer and provide a copy of the police report to the school media specialist. The student’s family must pay the full cost of replacing the Chromebook or charging cable. Once one-half of the replacement cost has been paid, a replacement device will be ordered and a loaner device will be issued to the student. The full cost of any replacement will be determined by market value at the time of replacement.

All repairs and replacements must be arranged through Tallapoosa County Schools. If your device is lost, damaged, or having technical issues, please report this to your teacher, media specialist or an administrator immediately. We cannot guarantee the device to be repaired will be the device you receive back. We also cannot guarantee the type of device you will receive after repair to be the same type of device due to inventory numbers.
