Emergency Operations Plan

Tallapoosa County Board of Education Schools

EOP STATEMENT OF INTENT:

At all Tallapoosa County Schools daily procedures are clearly established to ensure safety. All visitors must report to the school offices to obtain a visitor's pass before entering any area of the campus. Teachers and instructional aides are on duty to ensure safe arrival and departure for students. School personnel carefully monitor each campus and report any suspicious activity or persons to the school office for appropriate action to be taken. These and other procedures outlined in the Comprehensive School Safety Plan demonstrate the level of commitment to school safety.

Safety Drills outlined in the plan are practiced on a regular basis. Procedures are discussed with faculty/staff often so that drills may be expeditiously carried out. Feedback on the success of drills is reported to the faculty/staff by the principal / assistant principal to determine future needs.

While it is unrealistic to guarantee safety in a public building, it is reasonable to expect that every effort be made toward accomplishing a safe and orderly environment. Our pledge is to continuously strive to make all Tallapoosa County Schools a place where everyone feels safe and secure

Parents and guardians will be informed of these procedures in the school handbook. This information will include, but is not limited to, the following:

1. Early dismissal procedures.
2. Emergency check out procedures.
3. Community evacuation plan and meeting area.
4. Parents are encouraged to download the Tallapoosa County Board of Education App that can be downloaded free from iTunes and Google Play.
5. Parents are encouraged to Follow Tallapoosa County BOE on Facebook, Twitter & Instagram
